

THE HOWL

CREATED BY Jorel Caluza

Anthony "Tripp" Mannara

He thinks he can eat 3 hot dogs before getting as sick as a dog.

If he could have dinner with anyone, living or dead, he would break bread with Muddy Waters because, "he's romantic."

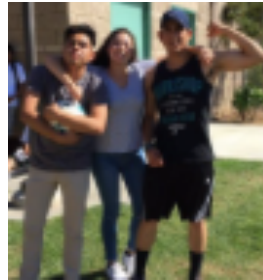

He would rather be attractive and die in a year, than be ugly and live forever.

On a final note, Anthony designed the front of

one of this year's t-shirt design contest

winners.

3 on 3 Soccer Double Elimination

In October of 2016, Brea Canyon High School students and staff participated in the 2nd annual 3v3, double-elimination, soccer tournament. The first games showed promises of a competitive tournament with each team battling on the road to the championship. It didn't take long for the team, Los Perros, and the OG's to gain recognition with their fast-paced, play style and fancy footwork. Of course, both these teams met in the finals. The game was well fought and went into overtime with Los Perros winning 2-1. Moises Reyes Romo scored the winning goal. Los Perros' team consisted of Moises, Jose, and Nastassja. They remained undefeated throughout the tournament. All of the students are to be commended for their fearless, ferocious participation in the tournament.

3 on 3 Basketball Double Elimination

In November of 2016, Brea Canyon staff and students participated in the 2nd annual 3v3, double elimination basketball tournament. 7 teams battled for a spot in the finals.

G.O.A.T.'s (Mr. Orme, Joshua Ortega, and Destiny Beasley) took the first spot, leaving Los Perros and Trump Train to compete for the other. Los Perros was the victor and felt ready for the big match. Unfortunately, the G.O.A.T.'s showed no mercy as they jumped out to a quick 4-0 lead. Los Perros got 1 point on the board, but still fell as the G.O.A.T.'s scored the final bucket and won the tournament with a 5-1 victory as an undefeated team.

John Ortiz

He thinks he can eat 7 hot dogs before getting as sick as a dog.

If he could have dinner with anyone, living or dead, he would eat with Nikola Tesla to hear all his teachings and thoughts.

He would rather be ugly and live forever, rather than be attractive and die in a year.

On a final note, John designed the front and back of one of this year's t-shirt design contest winners.

Halloween Party

On Halloween, Brea Canyon High School held our annual Halloween Party. This year we did the usual

pumpkin carving and had lots of food brought by the students and staff. We had a few games: croquet, bean bag toss, and ladder ball.

Mr. Orme was skilled at croquet. Goodie bags

included tons of candy, slurpee and frosty coupons, and even toothbrushes, toothpaste, and floss that were donated by the dental and orthodontic offices of Dr. Hatae and Dr. MacGinnis.

Thanksgiving Food Drive

Student leaders and BCHS faculty members went fundraising at the Albertson's on Imperial Highway. They went there to gather food donations from the Brea community. The generous donations helped provide 8 families with full thanksgiving meals and staples for the home. Thank you to the Brea community, Albertson's, and all the staff and students that helped made this 2nd annual event a success.

Blood Drive

On November 3rd, Brea Canyon High School had our 2nd annual blood drive hosted by the Red Cross. Thank you to all the students, staff, and community members who donated their blood. We will be planning another blood drive on February 14th, Valentines day. Thank you to Mr. Verry and Jorel Caluza for their efforts to arrange this wonderful event.
